Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for LAVTA Atlantis Operations & Maintenance Facility Construction in surface transportation reauthorization legislation. The project sponsor for this project is the Livermore Amador Valley Transit Authority, and the project is located at 875 Atlantis Court, Livermore, California. The funding is designated for the construction of new maintenance and operations buildings to support enhanced public transportation operations in LAVTA's service area of Livermore, Dublin, and Pleasanton. The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits: creation of more area for bus parking and storage, dispatch services, and maintenance capacity for LAVTA's growing fleet.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Eric Swalwell  
Member of Congress
