Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for Norris Canyon Road Safety Improvement in surface transportation reauthorization legislation. The project sponsor for this project is the Contra Costa County Public Works Department, and the project is located at Norris Canyon Road in unincorporated San Ramon, California. The funding is designated to widen approximately 550' of Norris Canyon Road between Ashbourne Drive and the Alameda County Line. The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits: eliminating road departure collisions at a location that includes a sharp horizontal curve, steep gradient, and limited sight distance by widening the pavement.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Eric Swalwell
Member of Congress
