The Honorable Merrick B. Garland  
Attorney General  
U.S. Department of Justice  
950 Pennsylvania Avenue, N.W.  
Washington, DC 20530

Dear Attorney General Garland:

As we prepare for the 118th Congress, we write again to obtain your voluntary compliance with the outstanding requests for documents and information necessary for our oversight. We appreciate your prompt attention to these outstanding matters.

Over the past twenty-one months, we have made several requests for information and documents concerning the operations and actions of the Department of Justice. We reiterated and itemized these requests in our recent letters of October 11, 2022, October 28, 2022, and November 2, 2022, which are enclosed for your convenience. To date, you have ignored these requests, or you have failed to respond sufficiently. Please be aware that if our requests remain outstanding at the beginning of the 118th Congress, the Committee may be forced to resort to compulsory process to obtain the material we require.

In addition, to advance our oversight, we require prompt testimony from Justice Department employees. We expect your unfettered cooperation in arranging for the Committee to receive testimony from Justice Department employees. As an initial matter, we anticipate requiring testimony, either in hearings or transcribed interviews, from the following employees early in the 118th Congress:

13. Susan Hennessey, Senior Counsel, National Security Division;
14. Margy O’Herron, Office of the Deputy Attorney General; and
15. David Neal, Executive Office for Immigration Review.

To avoid any unnecessary delay in receiving the testimony of these employees, we ask that you direct your staff to work with Committee staff now on scheduling these events. Please be advised that this testimony is in addition to periodic hearings we anticipate convening, if necessary, with Assistant Attorney General for the Office of Legislative Affairs Carlos Uriarte concerning the status of outstanding requests for documents and testimony.

The congressional oversight power, rooted in Article I of the Constitution, is “broad and indispensable.”<sup>1</sup> This authority “encompasses inquiries into the administration of existing laws, studies of proposed law, and surveys of defects in our societal, economic, or political system for the purpose of enabling the Congress to remedy them.”<sup>2</sup> The Judiciary Committee is authorized to conduct oversight of the Justice Department pursuant to the Rules of the House of Representatives.<sup>3</sup>

The Honorable Merrick B. Garland  
Attorney General  
U.S. Department of Justice

Dear Attorney General Garland:

We are investigating the Biden Administration's misuse of federal criminal and counterterrorism resources to target concerned parents at school board meetings. We know from whistleblowers and publicly available information that the Biden White House colluded with the National School Boards Association to manufacture a pretext for the use of federal law-enforcement authorities against parents, which you operationalized via a memorandum dated October 4, 2021. The American people, however, deserve much more accountability and transparency.

Since October 2021, we have sent over 100 letters to Departmental components requesting documents and information regarding the Biden Administration's misuse of law-enforcement resources.<sup>1</sup> To date, the Department has responded to these requests with only two half-page letters, and has not produced any of the requested documents or information. These letters do not sufficiently respond to our reasonable requests or alleviate our concerns.

Parents voicing their concerns at school board meetings are not domestic terrorists. Yet, your anti-parent directive remains in effect, and as a result, the threat of federal law enforcement continues to chill the First Amendment rights of American parents. We intend to continue to pursue this serious misuse of federal law-enforcement resources. We reiterate our requests, which are itemized in the attached appendix and incorporated herein, and ask that you, as the custodian of all Departmental records, produce the entirety of the requested material as soon as possible but no later than October 25, 2022.

Furthermore, this letter serves as a formal request to preserve all existing and future records and materials in your possession relating to the topics addressed in this letter. You should construe this preservation notice as an instruction to take all reasonable steps to prevent the destruction or alteration, whether intentionally or negligently, of all documents, communications, and other information, including electronic information and metadata, that are or may be responsive to this congressional inquiry. Dear Attorney General Garland:

We are investigating the Biden Administration's callous disregard for the safety and security of our southern border, including the Justice Department's abuse of U.S. immigration law and policy to advance the Biden Administration's political interests. Since your confirmation we have written to you requesting information about the Administration's use of federal taxpayer dollars to pay settlements to illegal aliens who violated U.S. law, and your purge of immigration judges appointed by former President Trump for political reasons. Our letters have gone unanswered. The American people deserve better than to be ignored by an Administration intent on undermining the rule of law and erasing our national borders.

Committee Republicans will continue to pursue these matters, including into the 118th Congress if necessary. Accordingly, we reiterate our outstanding requests, which are itemized in the attached appendix and incorporated herein, and ask that you, as the custodian of all Departmental records, produce the entirety of the requested material as soon as possible but no later than November 11, 2022.
