

Gun Crime Packs Hard Time.

NO FRIENDS
NO FAMILY
NO FREEDOM

A GUN CAN PUT YOU AWAY.

A gun, any gun, or even one bullet, could land a felon in federal prison. And anyone found carrying a stolen gun, or one without a serial number, or any prohibited gun is also looking at serious federal prison time. Federal law says a person **CANNOT** possess a gun or ammunition if that person is:

- An **ILLEGAL DRUG USER**
- A person subject to a **NO CONTACT ORDER**
- A person convicted of **DOMESTIC VIOLENCE**
- A person convicted of a **FELONY**
- A **FUGITIVE** from justice
- An **ILLEGAL ALIEN**
- A **NON-IMMIGRANT ALIEN** without a valid hunting license
