BLACK PANTHER PARTY  
Also Known As  
Black Panther Party for Self Defense

A source advised that the Black Panther Party for Self Defense (BPPSD) was formed by HUEY PERCY NEWTON, Minister of Defense, and JOEY GEORGE STALE, Chairman, in December, 1966, as a militant black nationalist political organization to combat "police brutality", to unite militant black youth, and to determine the destiny of black communities. The political philosophy was taken from writings of Chairman MAO Tse-tung of Communist China and black militant writers.

In March, 1968, the name of the organization was changed to Black Panther Party (BPP).

The official BPP publication, "The Black Panther Party - Black Community News Service", states that the BPP advocates use of guns and guerrilla tactics in their violent revolutionary program to end oppression of black people.

On February 17, 1968, EMMIDGE CLEAVER, Minister of Education, announced merger of the BPP and Student Nonviolent Coordinating Committee (SNCC) and bestowed title of Minister of Justice, BPP, upon H. RAPP BROWN, Chairman of SNCC.

SNCC is a militant Negro organization which preaches black supremacy.

NEWTON, aforementioned, is incarcerated in the Alameda County Jail, Oakland, California, awaiting trial on charge of murder of an Oakland police officer.

Headquarters of BPP and Huey P. Newton Defense Fund are located at 442R Grove Street, Oakland, California.

COMMENT ON INFILTRATION OF THE  
FIRST UNITARIAN CHURCH OF LOS ANGELES

A source advised on May 8, 1968, that the personnel of the First Unitarian Church of Los Angeles, 2330 Westwood Boulevard, Los Angeles, California, have been utilized for meeting Communist Party members and sympathizers over a period of years. Ministers and laymen at the church frequently espouse Communist Party, Soviet and Communist Party line. Communist front groups, including the "League for Social Justice" is distributed at the church. The church is used as a "mass concentration" point for "mass concentration" work.

This same infiltration extends to adjuncts of the church such as the Unitarian Public Forum and the "League for Social Justice", formerly known as the Unitarian-Universalist Fellowship for Social Justice.

BIRNBAUM H. FRITZMAN has been minister of the church since 1965.

Reverend BIRNBAUM H. FRITZMAN is described in the Los Angeles Report on American Activities Committee in California, 1964, as a very active "Communist front" and connected with numerous "Communist front organizations and activities".

Minister BIRNBAUM H. FRITZMAN is a member of the Los Angeles Chapter of the Communist Party in or sympathy with the Communist Party.

LOS ANGELES STUDENT NON-VIOLENT  
COORDINATING COMMITTEE

A source advised in July, 1968, that the Los Angeles Student Non-Violent Coordinating Committee (LA-SNCC), headquartered at 7400 South Western Avenue, Los Angeles, California, is not a membership organization but a loose-knit agency composed of young militant, black nationalists from South Los Angeles who have eliminated all Caucasians from their ranks and have initiated a program against the draft, the war in Vietnam and discrimination and have proposed a revolutionary program utilizing armed force, political and economic action to obtain their goals. LA-SNCC is an arm of the National Student Non-Violent Coordinating Committee organization headquartered at Atlanta, Georgia, and with the naming of LA-SNCC Director RONALD TERRY WILLIAMS as Deputy Director of SNCC for the West Coast, the affinity between the National and local organization will be more harmonious.

The above source advised that at a meeting of LA-SNCC leaders on March 22, 1968, the group indicated it was necessary for all SNCC personnel to be armed in order to shoot "pig cops" when they are stopped in South Los Angeles.

A source, in May, 1968, indicated that LA-SNCC leadership has encouraged all associates of LA-SNCC to obtain arms and to be armed at all times.

On April 5, 1968, four LA-SNCC officers were arrested by the Los Angeles Police Department at LA-SNCC headquarters in possession of two fully loaded .30 caliber M1 carbines and one .12 gauge shotgun, plus action, with four rounds of 00 gauge bismuth. On May 4, 1968, five LA-SNCC officers were arrested by the Los Angeles Police Department for possession of loaded firearms.

On May 14, 1968, when Director JOHN FICKE and three Security Officers, LA-SNCC, were arrested by the New Orleans Police Department for possession of stolen property, New Orleans Police Department found four automatic weapons in trunk of car carried by one of the persons. They also obtained material concerning breach lock in the making of Volotov journals, books and booky tapes for schools in guerrilla-type warfare. This literature was published in Communist China.

MAY DAY CELEBRATIONS, et al.;  
United May Day Committee

A source advised on May 8, 1968, that the May Day Celebration in Los Angeles, in recent years, (excepting 1958) has been covertly organized by the leadership of the Southern California District Communist Party (SDCP) using the name "May Day Committee, United May Day Committee, Organized for 1958 May Day Celebration", or variations thereof. Source advised that no actual committee is formed for this purpose, but an appropriate name is selected for purposes of recruitment and transportation of participants. The actual arrangements for the celebration are usually handled by LEO SOLER, Executive Secretary of the SDCP, and BOB BOND and SCOTT W. HEALING, Chairman, SDCP, sharing responsibility for planning the celebration and holding the "party". Funds raised through the rally are usually used by the SDCP to offset current deficits. In 1958, the May Day Celebration was openly sponsored by the SDCP.

"US"

Also Known As  
"US", Incorporated

"US" was chartered by the State of California as a non-profit corporation in September, 1966 with offices at 8211 South Broadway, Los Angeles, California. The corporate charter alleges that "US" is primarily an Afro-American cultural organization.

During the spring of 1968, however, a source advised that MANLWA ROH KARENGA, true name Ronie McKinley Everett, Founder-Chairman of "US", has published a booklet entitled, The Quotable Karenga, in which he talks of revolution, black power and condemns Christianity for the plight of the black man.

In this booklet, KARENGA stated: "...You must have a cultural revolution before the violent revolution. The cultural revolution gives identity, purpose and direction. ...The revolution being fought now is a revolution to win the minds of our people. If we fail to win this we cannot wage the violent one. ...When the word is given we'll see how tough you are. When it's 'burn', let's see how much you burn. When it's 'kill', let's see how much you kill. When it's 'blow up', let's see how much you blow up. And when it's 'take that white girl's head too', we'll really see how tough you are. ..."

The above source advised that "US" members are required to study and memorize this booklet. "US" members are also assigned Swahili names which they use in lieu of their given names.

A second source advised that KARENGA has spoken at various meetings in Los Angeles, at which time he has talked of creating an "US" army of 1,000 men, obtaining weapons and ammunition, guerrilla warfare tactics and revolution. KARENGA has also stated, "The only way to get life is to take a life and as we get stronger we will take what we want from the white man's United States." He also stated that if the police killed any "US" members, the "US" organization would kill some of them.

The first source above advised that KARENGA has also stated that recent race riots throughout the country were not riots but were actually revolts or revolutions and that the black people are going to win their freedom by violence if necessary.

A third source advised that HARRISON has stated that a revolution will take place in the near future and that no one can believe in black revolution without believing in armed conflict because the two go hand in hand.

The first source above advised that the "US" organization has approximately 20 militant, hard-core members, a number of whom during the past year have been arrested for possession of incendiary devices, attempted arson, armed robbery and burglary. "US" members are known to carry firearms. There are an estimated additional 200 individuals, ranging in age from 4 to 40, who are known to attend meetings and social activities sponsored by "US" and which are closed to anyone not of the Negro race.

Recently, the "US" organization opened an affiliate office in San Diego, California.

The word "US" refers to the personal pronoun and is not an abbreviation.

[REDACTED] (3/22/68)

On August 13, 1968, the above source furnished a brochure, which contained the projects and program presently being conducted by LASHCC. This brochure is as follows:

## IN EFFECT IN LOS ANGELES

PROJECT # 1 - LEGAL DEFENSE - MEDICAL CARE

A committee composed of Black lawyers who have volunteered to be on 24 hour call to offer legal aid to our community. In addition to this, the lawyers will be assisted by volunteer law students doing the clerical work, i.e. accompanying the lawyer to jail and writing the briefs - doing the leg work. This serves a two-fold purpose; it assists the attorney so that he spends a minimum amount of time and yet offers a valuable service to his community, and offers valuable on-the-job training for the law student.

Included in this project are medical doctors. They will volunteer for 24 hour call to go to the jail and examine the Brothers or Sisters to make sure they are in good condition. This examination will serve to deter the police from beating Brothers and Sisters, and this plays a vital and necessary role in the Black Liberation struggle.

PROJECT # 2 - LIBERATION SCHOOLS

The Liberation School is a project designed to aid our Black Sisters and Brothers to gain the knowledge and skills necessary for survival. We will hold the Liberation School in the churches in the community, and our instructors will be students majoring in education as well as other qualified people from our community. The agenda for the school will be announced. The emphasis, however, will be on skills necessary for the survival of our people.

PROJECT # 3 - S.N.C.C. NEWSLETTER

The S.N.C.C. Newsletter is vital to our Liberation struggle. It will serve to inform the Black Community of events which directly

effect our survival. Also, it will disseminate information which the white press refuses to give. Thus it serves the Black community as an alternative to the white press! Informing Black people of information and services is vital to our survival.

The newsletter will be operated by members of the Black community who are serving as volunteer staff, and will address itself only to the needs of Black people.

#### PROJECT # 4 - SELF-DEFENSE UNITS

We are concerned with the survival of our people - Black people. It is becoming more and more necessary for us to learn the art of Self-Defense. We will form rifle clubs in order to learn the proper use and handling of firearms. These classes will be open to all members of our community. Also there is a need to know hand to hand defense. We are holding Black karate classes open to all members of our community. It is necessary for all Black people to be well skilled in the Martial arts - our survival depends on this.

#### PROJECT # 5 - SURVIVAL REFUGE STATIONS

This project is on-going and will only be used in crisis time. We will find abandoned warehouses, cellars, and any place we can use as a cache to store staple goods, and medical supplies. Also key people throughout the community will be instructed in first aid and will in turn come back into the community and teach other Brothers and Sisters.

#### PROJECT # 6 - AFRO-AMERICAN SKILLS BANK

We have a program pending with the Zambian Government where we will send Brothers and Sisters who are skilled in their professions over to aid in the development of their nation. This program will be initiated,

hopefully, throughout the Third World, and thus it offers an alternative to the so-called Peace Corps.

PROJECT # 7 - NRAMADU (NATIONAL BLACK ANTI-WAR ANTI-DRAFT UNION)

This is S.N.C.C.'s National Anti-War Anti-Draft program. It coordinates all Black Draft resistance throughout the nation, offers Brothers the legal alternatives and an escape mechanism.

APPENDIX

STUDENT NONVIOLENT COORDINATING COMMITTEE

The Student Nonviolent Coordinating Committee (SNCC), headquartered at 360-362 Nelson Street, S. W., Atlanta, Georgia, is a nonmembership organization, which was born out of the sit-in movement that erupted across the South beginning in 1960.

Today SNCC identifies itself as an organization in the revolutionary vanguard. It advocates that to be successful it is necessary to develop a revolutionary ideology and revolutionary program.

According to SNCC, the year 1967 marked a historic milestone in the struggle for the liberation of black people in the United States and the year that revolutionaries throughout the world began to understand more fully the impact of the black movement. SNCC declared that "liberation will come only when there is final destruction of this mad octopus--the capitalistic system of the United States with all its life-sucking tentacles of exploitation and racism that choke the people of Africa, Asia, and Latin America. The realities of black life, together with the recognition instilled in SNCC workers forced its members to further popularize the legitimacy of self-defense and rebellions when oppression became too great".

From May, 1966, until May, 1967, STOKELY CARMICHAEL was National Chairman of SNCC. As of July, 1968, CARMICHAEL resided in Washington, D.C., where he was affiliated with SNCC and active as temporary chairman of a black coalition group. In May, 1967, CARMICHAEL was replaced by HUBERT GEROLD BROWN, commonly known as H. Rap Brown, who served until June, 1968.

In June, 1968, at the Staff and Central Committee meeting of SNCC held in Atlanta, Georgia, it was decided to restructure the organization by equalization of responsibility by creating ten deputy or vice chairmanships. The primary purpose for this change is to take law enforcement pressure off any single individual.

BLACK PANTHER PARTY  
 Also Known As  
Black Panther Party for Self Defense

According to its official newspaper, the Black Panther Party (BPP) was started during December, 1966, in Oakland, California, to organize black people so they can take control of the life, politics, and the destiny of the black community. It was organized by BOBBY GEORGE SEALE, BPP Chairman, and HUEY P. NEWTON, BPP Minister of Defense. NEWTON is presently serving a sentence of 2 to 15 years on a conviction of manslaughter in connection with the killing of an Oakland police officer.

The official newspaper, "The Black Panther", which further describes itself as the "Black Community News Service", states that the BPP advocates the use of guns and guerrilla tactics in its revolutionary program to end oppression of the black people. Residents of the black community are urged to arm themselves against the police who are consistently referred to in the publication as "pigs" who should be killed.

"The Black Panther" issue of September 7, 1968, contains an editorial by BPP Minister of Education, GEORGE MASON KENNEDY, which ends with the following:

"Black men. Black people, colored persons of America, revolt everywhere! Arm yourselves. The only culture worth keeping is a revolutionary culture. Change. Freedom everywhere. Dynamite! Black Power. Use the gun. Kill the pigs everywhere."

Included in the introduction to an article appearing in the October 5, 1968, edition of "The Black Panther" is the statement "...we will not dissent from American Government. We will overthrow it".

Issues of "The Black Panther" regularly contain quotations from the writings of Chairman MAO Tse-tung of the People's Republic of China and feature MAO's statement that "political power grows out of the barrel of a gun."

The national headquarters of the BPP is located at 106 Snattuck Avenue, Berkeley, California. Branches have been established at various locations throughout the United States.

COMMUNIST INFILTRATION OF THE  
WOMEN STRIKE FOR PEACE,  
Also Known As  
Women's International Strike for Peace

A source advised on May 27, 1968, that the Women Strike for Peace (WSP) in the Southern California area began its operations in the late fall of 1961, as an affiliate of the national organization formed that year in Washington, D. C. It is a peace oriented women's organization which is opposed to the present American foreign policy in Vietnam. It has also sought legislation which would bring about the abolition of the House Committee on Un-American Activities. In addition to conducting numerous letter writing campaigns which concern current United States civil rights and foreign policy problems, WSP locally has become quite active in draft counseling and draft leafletting. Counseling, in the form of providing information concerning alternatives to the draft, and distributing leaflets providing this information have taken place on an increasingly consistent pace. Much of the leafletting takes place adjacent to high school campuses and in shopping centers. WSP feels that these methods of opposing United States intervention in Vietnam have been quite effective and more effective than frequent participation in demonstrations protesting the war in Vietnam.

The same source stated that WSP is a non-membership organization and has no officers. The organization is open to women of all political opinions who are interested in world peace. It makes no effort to exclude from its activities members of, or persons sympathetic to, the Communist Party and related groups.

The guiding force behind the Southern California WSP groups is MARY CLARKE. A second source advised in July, 1958, that CLARKE was dropped from the Western Division, Los Angeles County Communist Party (LACCP) in the spring of 1955, for personal reasons and not because of any political differences with the LACCP.

The first source advised that Southern California WSP maintains its office at 5899 West Pico Boulevard, Los Angeles.

VI. CHARACTERIZATION OF THE SYCC AND IA-SHCC

APPENDIXLOS ANGELES STUDENT NON-VIOLENT  
COORDINATING COMMITTEE

A source advised in July, 1968, that the Los Angeles Student Non-Violent Coordinating Committee (LA-SNCC), headquartered at 7406 South Western Avenue, Los Angeles, California, is not a membership organization but a loose-knit agency composed of young militant, black nationalists from South Los Angeles who have eliminated all Caucasians from their ranks and have initiated a program against the draft, the war in Vietnam and discrimination and have proposed a revolutionary program utilizing armed force, political and economic action to obtain their goals. LA-SNCC is an arm of the National Student Non-Violent Coordinating Committee organization headquartered at Atlanta, Georgia, and with the naming of LA-SNCC Director RONALD LEROY WILKINS as Deputy Director of SNCC for the West Coast, the affinity between the National and Local organization will be more harmonious.

The above source advised that at a meeting of LA-SNCC leaders on March 22, 1968, the group indicated it was necessary for all SNCC personnel to be armed in order to shoot "pig cops" when they are stopped in South Los Angeles.

A source, in May, 1968, indicated that LA-SNCC leadership has encouraged all associates of LA-SNCC to obtain arms and to be armed at all times.

On April 5, 1968, four LA-SNCC officers were arrested by the Los Angeles Police Department at LA-SNCC headquarters in possession of two fully loaded .30 caliber M-1 carbines and one .12 gauge shotgun, pump action, with four rounds of 00 gauge buckshot. On May 4, 1968, five LA-SNCC officers were arrested by the Los Angeles Police Department for possession of loaded firearms.

On May 14, 1968, then Director JOHN FLOYD and three Security Officers, LA-SNCC, were arrested by the New Orleans Police Department for possession of stolen property. New Orleans Police Department found four automatic weapons in attache cases carried by the above persons. They also obtained material concerning instructions in the making of Molotov cocktails, bombs and booby traps for sabotage in guerilla-type warfare. This literature was published in Communist China.

APPENDIX

STUDENT NONVIOLENT COORDINATING COMMITTEE

The Student Nonviolent Coordinating Committee (SNCC), headquartered at 360-362 Nelson Street, S. W., Atlanta, Georgia, is a nonmembership organization, which was born out of the sit-in movement that erupted across the South beginning in 1960.

Today SNCC identifies itself as an organization in the revolutionary vanguard. It advocates that to be successful it is necessary to develop a revolutionary ideology and revolutionary program.

According to SNCC, the year 1967 ranked a historic milestone in the struggle for the liberation of black people in the United States and the year that revolutionaries throughout the world began to understand more fully the impact of the black movement. SNCC declared that "liberation will come only when there is total destruction of this mad octopus--the capitalistic system of the United States with all its life-sucking tentacles of exploitation and racism that choke the people of Africa, Asia, and Latin America. The realities of black life, together with the recognition instilled in SNCC workers forced its members to further popularize the legitimacy of self-defense and rebellions when oppression became too great".

From May, 1966, until May, 1967, STOKELY CARMICHAEL was National Chairman of SNCC. As of July, 1968, JAMVIA-ANN resident in Washington, D.C., where he was affiliated with SNCC and active as temporary chairman of a black coalition group. In May, 1967, CARMICHAEL was replaced by JUSEPH GIBSON BROWN, commonly known as H. Rap Brown, who served until June, 1968.

In June, 1968, at the Staff and Central Committee meeting of SNCC held in Atlanta, Georgia, it was decided to restructure the organization by equalization of responsibility by creating ten deputy or vice chairmanships. The primary purpose for this change is to take law enforcement pressure off any single individual.

BLACK PANTHER PARTY  
Also Known As  
Black Panther Party for Self Defense

According to its official newspaper, the Black Panther Party (BPP) was started during December, 1966, in Oakland, California, to organize black people so they can take control of the life, politics, and the destiny of the black community. It was organized by BOBBY GEORGE SEALE, BPP Chairman, and HUEY P. NEWTON, BPP Minister of Defense. NEWTON is presently serving a sentence of 2 to 15 years on a conviction of manslaughter in connection with the killing of an Oakland police officer.

The official newspaper, "The Black Panther" which further describes itself as the "Black Community News Service", states that the BPP advocates the use of guns and guerrilla tactics in its revolutionary program to end oppression of the black people. Residents of the black community are urged to arm themselves against the police who are consistently referred to in the publication as "pigs" who should be killed.

"The Black Panther" issue of September 7, 1968, contains an editorial by BPP Minister of Education, GEORGE MASON MURRAY, which ends with the following:

"Black men. Black people, colored persons of America, revolt everywhere! Arm yourselves. The only culture worth keeping is a revolutionary culture. Change. Freedom everywhere. Dynamite! Black Power. Use the gun. Kill the pigs everywhere."

Included in the introduction to an article appearing in the October 5, 1968, edition of "The Black Panther" is the statement "...we will not dissent from American Government. We will overthrow it".

Issues of "The Black Panther" regularly contain quotations from the writings of Chairman MAO Tse-tung of the People's Republic of China and feature MAO's statement that "political power grows out of the barrel of a gun."

The national headquarters of the BPP is located at 3106 Shattuck Avenue, Berkeley, California. Branches have been established at various locations throughout the United States.

The SWP has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

APPENDIXLOS ANGELES STUDENT NON-VIOLENT  
COORDINATING COMMITTEE

A source advised in July, 1968, that the Los Angeles Student Non-Violent Coordinating Committee (LA-SNCC), headquartered at 7406 South Western Avenue, Los Angeles, California, is not a membership organization but a loose-knit agency composed of young militant, black nationalists from South Los Angeles who have eliminated all Caucasians from their ranks and have initiated a program against the draft, the war in Vietnam and discrimination and have proposed a revolutionary program utilizing armed force, political and economic action to obtain their goals. LA-SNCC is an arm of the National Student Non-Violent Coordinating Committee organization headquartered at Atlanta, Georgia, and with the naming of LA-SNCC Director RONALD LEROY WILKINS as Deputy Director of SNCC for the West Coast, the affinity between the National and Local organization will be more harmonious.

The above source advised that at a meeting of LA-SNCC leaders on March 22, 1968, the group indicated it was necessary for all SNCC personnel to be armed in order to shoot "pig cops" when they are stopped in South Los Angeles.

A source, in May, 1968, indicated that LA-SNCC leadership has encouraged all associates of LA-SNCC to obtain arms and to be armed at all times.

On April 5, 1968, four LA-SNCC officers were arrested by the Los Angeles Police Department at LA-SNCC headquarters in possession of two fully loaded .30 caliber M-1 carbines and one 12 gauge shotgun, pump action, with four rounds of 00 gauge buckshot. On May 4, 1968, five LA-SNCC officers were arrested by the Los Angeles Police Department for possession of loaded firearms.

On May 14, 1968, then Director JOHN FLOYD and three Security Officers, LA-SNCC, were arrested by the New Orleans Police Department for possession of stolen property. New Orleans Police Department found four automatic weapons in attache cases carried by the above persons. They also obtained material concerning instructions in the making of Molotov cocktails, bombs and booby traps for sabotage in guerilla-type warfare. This literature was published in Communist China.

PEACE ACTION COUNCIL

The "People's World", a weekly west coast communist newspaper, in its issue of November 5, 1966, in an article on Page 3, describes the Peace Action Council (PAC) as, "a coordinating agency for peace activists" which conducts emergency mobilizations and demonstrative actions against the war in Vietnam.

On July 22, 1966, a source reported that the PAC, which has also been known as the Greater Los Angeles Peace Action Council (GLAPAC), was formed during the early summer of 1966, for the express purpose of protesting the war in Vietnam during the National Governors' Conference held in Los Angeles, California from July 4 to July 8, 1966. Following the conclusion of that conference, the PAC members decided to continue as a coordinating group to sponsor similar protest demonstrations at later dates.

This source was recontacted on May 8, 1968, and reported that the PAC continues to operate under the same basic concept.

STUDENT NONVIOLENT COORDINATING COMMITTEE

The Student Nonviolent Coordinating Committee (SNCC), headquartered at 360-362 Nelson Street, S. W., Atlanta, Georgia, is a non-membership organization, which was born out of the sit-in movement that erupted across the South beginning in 1960.

Today SNCC identifies itself as an organization in the revolutionary vanguard. It advocates that to be successful it is necessary to develop a revolutionary ideology and revolutionary program.

According to SNCC, the year 1967 marked a historic milestone in the struggle for the liberation of black people in the United States and the year that revolutionaries throughout the world began to understand more fully the impact of the black movement. SNCC declared that "liberation will come only when there is final destruction of this mad octopus-like capitalistic system of the United States with all its life-sucking tentacles of exploitation and racism that choke the people of Africa, Asia, and Latin America. The realities of black life, together with the recognition instilled in SNCC workers forced its members to further popularize the legitimacy of self-defense and rebellions when oppression became too great".

From May, 1966, until May, 1967, STANLEY CARRIGHER was National Chairman of SNCC. As of July, 1968, CARRIGHER resided in Washington, D.C., where he was affiliated with SNCC and active as temporary chairman of a black coalition group. In May, 1967, CARRIGHER was replaced by HERBERT CLAUDE BROWN, commonly known as H. Rap Brown, who served until June, 1968.

In June, 1968, at the Staff and Central Committee meeting of SNCC held in Atlanta, Georgia, it was decided to restructure the organization by equalization of responsibility by creating ten deputy or vice chairmanships. The primary purpose for this change is to take law enforcement pressure off any single individual.

Source indicated that CHARLES MAYNARD WILLIAMS is an officer of LA-SNCC and CHARLES FRANK GORDON is a former member of LA-SNCC and currently a member of the Black Panther Party (BPP) which may indicate SNCC is being assisted by the BPP or this project may be handled by the BPP.

The source indicated that SNCC, due to the lack of finances, may have to close their office in South Los Angeles and due to a small membership does not have regularly scheduled meetings in the Los Angeles area.

## FEDERAL BUREAU OF INVESTIGATION

Date 5/27/691

CHARLES MAYNARD WILLIAMS was interviewed on May 23, 1969 by SA [REDACTED] and SA [REDACTED] outside the Los Angeles Student Non-Violent Coordinating Committee (LA-SNCC) office located at 7406 South Western Avenue, Los Angeles, California. WILLIAMS was informed by SA [REDACTED] that he did not have to say anything and that anything he did say may be used against him in a court of law. WILLIAMS was advised that he had a right to an attorney of his own choice or anyone else before saying anything.

WILLIAMS was shown a pamphlet entitled, "Self Defense Clubs" with the names Attila and Mike under the caption of this pamphlet which set forth information concerning rifle and gun clubs sponsored by LA-SNCC. WILLIAMS indicated that Attila was CHARLES FRANKLIN GORDON and the name Mike was his nickname. In February 1969, GORDON and WILLIAMS attempted to organize rifle and gun clubs for all ages of people residing in the black community. He stated that the program never "got off the ground" and said that this program is no longer in effect.

WILLIAMS stated that the rifle, gun, and karate clubs were an attempt on the part of LA-SNCC to keep abreast of the other militant organizations such as the Black Panther Party (BPP) in Los Angeles, California.

WILLIAMS stated that SNCC does not have the finances at this time to promote this type of program but the organization recommends that the black people own weapons for their protection in the community.

WILLIAMS, when questioned concerning the present SNCC program and activities in the Los Angeles area, indicated that he had no comment concerning these programs. He indicated that the FBI was part of the "establishment" and was opposed to the black man in his attempts to organize.

WILLIAMS terminated the interview by stating he had nothing more to say to the FBI.

VI. CHARACTERIZATION OF THE SNCC AND THE LA-SNCC

APPENDIX

STUDENT NONVIOLENT COORDINATING COMMITTEE

The Student Nonviolent Coordinating Committee (SNCC), headquartered at 360-362 Nelson Street, S. W., Atlanta, Georgia, is a nonmembership organization, which was born out of the sit-in movement that erupted across the South beginning in 1960.

Today SNCC identifies itself as an organization in the revolutionary vanguard. It advocates that to be successful it is necessary to develop a revolutionary ideology and revolutionary program.

According to SNCC, the year 1967 marked a historic milestone in the struggle for the liberation of black people in the United States and the year that revolutionaries throughout the world began to understand more fully the impact of the black movement. SNCC declared that "liberation will come only when there is final destruction of this mad octopus--the capitalistic system of the United States with all its life-sucking tentacles of exploitation and racism that choke the people of Africa, Asia, and Latin America. The realities of black life, together with the recognition instilled in SNCC workers forced its members to further popularize the legitimacy of self-defense and rebellions when oppression became too great".

From May, 1966, until May, 1967, STOKELY CARMICHAEL was National Chairman of SNCC. As of July, 1968, CARMICHAEL resided in Washington, D.C., where he was affiliated with SNCC and active as temporary chairman of a black coalition group. In May, 1967, CARMICHAEL was replaced by HUBERT GEROID BROWN, commonly known as H. Rap Brown, who served until June, 1968.

In June, 1968, at the Staff and Central Committee meeting of SNCC held in Atlanta, Georgia, it was decided to restructure the organization by equalization of responsibility by creating ten deputy or vice chairmanships. The primary purpose for this change is to take law enforcement pressure off any single individual.

LA-SNCC is an arm of the National Student Non-Violent Coordinating Committee organization headquartered at Atlanta, Georgia, and with the naming of LA-SNCC Director RONALD LEROY WILKINS as Deputy Director of SNCC for the West Coast, the affinity between the National and Local organization will be more harmonious.

The above source advised that at a meeting of LA-SNCC leaders on March 22, 1968, the group indicated it was necessary for all SNCC personnel to be armed in order to shoot "pig cops" when they are stopped in South Los Angeles.

A source, in May, 1968, indicated that LA-SNCC leadership has encouraged all associates of LA-SNCC to obtain arms and to be armed at all times.

On April 5, 1968, four LA-SNCC officers were arrested by the Los Angeles Police Department at LA-SNCC headquarters in possession of two fully loaded .30 caliber M-1 carbines and one .12 gauge shotgun, pump action, with four rounds of 00 gauge buckshot. On May 4, 1968, five LA-SNCC officers were arrested by the Los Angeles Police Department for possession of loaded firearms.

BLACK PANTHER PARTY  
Also Known As  
Black Panther Party for Self Defense

According to its official newspaper, the Black Panther Party (BPP) was started during December, 1966, in Oakland, California, to organize black people so they can take control of the life, politics, and the destiny of the black community. It was organized by BOBBY SEALE, BPP Chairman, and HUEY P. NEWTON, BPP Minister of Defense. NEWTON is presently serving a sentence of 2 to 15 years on a conviction of manslaughter in connection with the killing of an Oakland police officer.

The official newspaper, "The Black Panther", which further describes itself as the "Black Community News Service", states that the BPP advocates the use of guns and guerrilla tactics in its revolutionary program to end oppression of the black people. Residents of the black community are urged to arm themselves against the police who are consistently referred to in the publication as "pigs" who should be killed.

"The Black Panther" issue of September 7, 1968, contains an editorial by BPP Minister of Education, GEORGE MASON MURRAY, which ends with the following:

"Black men. Black people, colored persons of America, revolt everywhere! Arm yourselves. The only culture worth keeping is a revolutionary culture. Change. Freedom everywhere. Dynamite! Black Power. Use the gun. Kill the pigs everywhere".

Included in the introduction to an article appearing in the October 5, 1968, edition of "The Black Panther" is the statement "...we will not dissent from American Government. We will overthrow it".

Issues of "The Black Panther" regularly contain quotations from the writings of Chairman MAO Tse-tung of the People's Republic of China and feature MAO's statement that "political power grows out of the barrel of a gun."

The national headquarters of the BPP is located at 3106 Shattuck Avenue, Berkeley, California. Branches have been established at various locations throughout the United States.

APPENDIXNATION OF ISLAM

A source advised on May 3, 1968, that the Nation of Islam (NOI) is an all-Negro organization originating in Detroit, Michigan, in the early 1930's. ELIJAH MUHAMMAD is the leader of the NOI and self-styled "Messenger of Allah" in that he claims ALLAH (God) selected him to lead the so-called Negro out of slavery in the wilderness of North America by establishing an independent black nation within the United States. Headquarters of the NOI is located at Muhammad's Temple (or Mosque) #2, 5335 South Greenwood Avenue, Chicago, Illinois.

MUHAMMAD teaches there is no such thing as a Negro; that the so-called Negroes are slaves of the white race, referred to as "devils", in the United States; and that the white race because of its exploitation of the so-called Negro will be destroyed by ALLAH in an approaching "War of Armageddon", a war between God and the devil.

Officials and members of the NOI, including Muhammad, have refused to comply with provisions of the Selective Service Act, stating that they respect laws of the United States as long as they do not conflict with the laws of the NOI, but do not believe the government should force them to participate in wars from which they have nothing to gain.

In the late 1950's, MUHAMMAD, acting on legal advice, tempered NOI teachings against the white man and the government to avoid possible prosecution; however, basic tenets remain the same. He de-emphasized religious teachings in the NOI and emphasized economic benefits derived by so-called Negroes who join the NOI. MUHAMMAD believed this would create more interest in his programs and, of course, new followers.

LOS ANGELES STUDENT NON-VIOLENT  
COORDINATING COMMITTEE

A source advised in July, 1968, that the Los Angeles Student Non-Violent Coordinating Committee (LA-SNCC), headquartered at 7406 South Western Avenue, Los Angeles, California, is not a membership organization but a loose-knit agency composed of young militant, black nationalists from South Los Angeles who have eliminated all Caucasians from their ranks and have initiated a program against the draft, the war in Vietnam and discrimination and have proposed a revolutionary program utilizing armed force, political and economic action to obtain their goals. LA-SNCC is an arm of the National Student Non-Violent Coordinating Committee organization headquartered at Atlanta, Georgia, and with the naming of LA-SNCC Director RONALD LEROY WILKINS as Deputy Director of SNCC for the West Coast, the affinity between the National and Local organization will be more harmonious.

The above source advised that at a meeting of LA-SNCC leaders on March 22, 1968, the group indicated it was necessary for all SNCC personnel to be armed in order to shoot "pig cops" when they are stopped in South Los Angeles.

A source, in May, 1968, indicated that LA-SNCC leadership has encouraged all associates of LA-SNCC to obtain arms and to be armed at all times.

On April 5, 1968, four LA-SNCC officers were arrested by the Los Angeles Police Department at LA-SNCC headquarters in possession of two fully loaded .30 caliber M-1 carbines and one .12 guage shotgun, pump action, with four rounds of 00 guage buckshot. On May 4, 1968, five LA-SNCC officers were arrested by the Los Angeles Police Department for possession of loaded firearms.

On May 14, 1968, then Director JOHN FLOYD and three Security Officers, LA-SNCC, were arrested by the New Orleans Police Department for possession of stolen property. New Orleans Police Department found four automatic weapons in attache cases carried by the above persons. They also obtained material concerning instructions in the making of Molotov cocktails, bombs and booby traps for sabotage in guerilla-type warfare. This literature was published in Communist China.

STUDENT NONVIOLENT COORDINATING COMMITTEE

The Student Nonviolent Coordinating Committee (SNCC), headquartered at 360-362 Nelson Street, S. W., Atlanta, Georgia, is a nonmembership organization, which was born out of the sit-in movement that erupted across the South beginning in 1960.

Today SNCC identifies itself as an organization in the revolutionary vanguard. It advocates that to be successful it is necessary to develop a revolutionary ideology and revolutionary program.

According to SNCC, the year 1967 marked a historic milestone in the struggle for the liberation of black people in the United States and the year that revolutionaries throughout the world began to understand more fully the impact of the black movement. SNCC declared that "liberation will come only when there is final destruction of this mad octopus--the capitalistic system of the United States with all its life-sucking tentacles of exploitation and racism that choke the people of Africa, Asia, and Latin America. The realities of black life, together with the recognition instilled in SNCC workers forced its members to further popularize the legitimacy of self-defense and rebellions when oppression became too great".

From May, 1966, until May, 1967, STOKELY CARMICHAEL was National Chairman of SNCC. As of July, 1968, CARMICHAEL resided in Washington, D.C., where he was affiliated with SNCC and active as temporary chairman of a black coalition group. In May, 1967, CARMICHAEL was replaced by HUBERT GEROID BROWN, commonly known as H. Rap Brown, who served until June, 1968.

In June, 1968, at the Staff and Central Committee meeting of SNCC held in Atlanta, Georgia, it was decided to restructure the organization by equalization of responsibility by creating ten deputy or vice chairmanships. The primary purpose for this change is to take law enforcement pressure off any single individual.
