WASHINGTON ■ 6.c. 20535 February 26, 1965

MUSLIM MOSQUE, INCORPORATED (MMI)

The March 13, 1964, edition of "The New York Times," a daily newspaper published in New York, New York, contained an article on page 20 which indicated that MALCOLM X (LITTLE), former national official of the Nation of Islam (NOI) who broke with the NOI on March 8, 1964, publicly announced in New York City on March 12, 1964, that he had formed the Muslim Mosque, Incorporated (MMI). The MMI, according to the article would be a broadly based politically oriented black nationalist movement for Negroes only, financed by voluntary contributions. In this public statement MALCOLM X urged Negroes to abandon the doctrine of non-violence when it is necessary to defend themselves in the civil rights struggle, and he also suggested that Negroes form rifle clubs to protect their lives and property in time of emergencies in areas where the government is unable or unwilling to protect them.

Incorporation papers of the MMI filed on March 16, 1964, with the Business Section, Clerk of Courts, New York County, New York, New York, reflect that the MMI was incorporated under the Religious Corporation Law of the State of New York to work for the imparting of the Islamic Faith and Islamic Religion in accordance with "accepted Islamic principals." The principal place of worship to be located in the Borough of Manhattan, New York, New York.

The May 23, 1964, edition of the "New York Amsterdam News," a weekly Negro newspaper published in New York City, contained an article by columnist JAMES BOOKER in which he indicated that he had heard that the visit by MALCOLM X with Muslim leaders during his African tour has changed him to become soft in his anti-white feelings and to become more religious.

On October 6, 1964, a confidential source advised that the MMI is apparently affiliated with the true orthodox Islamic Religion through its affiliation with the Islamic Foundation (of New York), 1 Riverside Drive, New York City. The only teachings of the MMI are on the Islamic Religion.

A second confidential source advised on October 20, 1964, that the headquarters of the MMI are located in Suite 128, Hotel Theresa, 2090 Seventh Avenue, New York, New York, where they were established on March 16,1964. These headquarters are shared with the Organization of Afro-American Unity (OAAU) which is also headed by MALCOLM X.

#### APPENDIX

SEMET

#### ORGANIZATION OF AFRO-AMERICAN UNITY (OAAU)

On June 28, 1964, MALCOLM X LITTLE, founder and leader of the Muslim Mosque, Incorporated (MMI), publicly announced the formation of a new, all Negro, militant civil-rights action group to be known as the Organization of Afro-American Unity (OAAU), with himself as Chairman. This announcement was made at a public rally held by the MMI in the Audubon Ballroom, Broadway and 166th Street, New York City.

A printed and published statement of basic OAAU aims read by MALCOLM X at this meeting indicates that it shall include "all" people of African descent in the Western Hemisphere, as well as "our" brothers and sisters on the African continent. It is patterned after the "letter and spirit" of the Organization of African Unity established (by African heads of States) at Addis Ababa, Ethiopia, in May, 1963.

A recording of the remarks of MALCOLM X at this meeting indicates that the aim of the OAAU is to eliminate differences between Negroes so they can work together for "human rights," while the initial objective is to "internationalize" the American civil rights movement by taking it to the United Nations. LITTLE condemned the non-violent civil rights movement and claims that Negroes should be taught to protect themselves, when and if necessary. The OAAU will sponsor a program for Negroes of education, politics, culture, economics and social reform.

On August 19, 1964, a confidential source advised that the headquarters of the OAAU are located in MMI headquarters, Suite 128, Hotel Theresa, 2090 7th Avenue, New York City.

MAISI TO NOITAM

The Nation of Islam (NOI) is referred to in the appendix section of this communication.

On February 22, 1965, advised that Elijah Muhammad had held a press conference that date in connection with the assassination of Malcolm Little.

Malcolm Little is described in the appendix section of this communication under the characterizations of Muslim Mosque, Inc., and the Organization of Afro-American Unity.

In response to questions asked at this conference Elijah Muhammad stated he was not afraid his life was in danger as he has done nothing to make him afraid. He said the Black Muslims are not responsible for Malcolm's death as it is against Muslim teachings. He added that the death of Malcolm would have no ramification on the Muslim movement as there were not many people with Malcolm. He said the main disagreement between Malcolm and himself was over arms, and that NOI members are forbidden to carry arms while Malcolm favored the carrying of arms and was, therefore, the victim of what he preached.

Muhammad also stated he was deeply shocked over Malcolm's violent death and said nothing separated Malcolm from the NOI but the issue of arms.

NATION OF ISLAM, Formerly Referred to as the Muslim Cult of Islam, Aka. Muhammad's Temples of Islam

<u>1.</u>

In January, 1957, a source advised ELIJAN MUHAMMAD has described his organization on a nationwide basis as the "Mation of Islam" and "Muhammad's Temples of Islam."

On May 8, 1964, a second source advised ELIJAH NUHAMMAD is the national leader of the Nation of Islam (NOI); Muhammad's Temple of Islam No. 2, 5335 South Greenwood Avenue, Chicago, Illinois, is the national headquarters of the MOI; and in mid-1960 MUHAMMAD and other NOI officials, when referring to MUHAMMAD's organization on a nationwide basis, commenced using either "Mosque" or "Temple" when mentioning one of "Muhammad's Temples of Islam."

The NOI is an all-Negro organization which was originally organized in 1930 in Detroit, Michigan. MUHAMMAD claims to have been selected by Allah, the Supreme Being, to lead the so-called Negro race out of slavery in the wilderness of North America by establishing an independent black nation in the United States. Members following MUHAMMAD's teachings and his interpretation of the "Koran" believe there is no such thing as a Negro; that the so-called Negroes are slaves of the white race, referred to as "white devils," in the United States; and that the white race, because of its exploitation of the so-called Negroes, must and will be destroyed in the approaching "War of Armageddon."

In the past, officials and members of the MOI, including MUHAMMAD, have refused to register under the provisions of the Selective Service Acts and have declared that members owe no allegiance to the United States.

On May 5, 1958, the first source advised MUHAMMAD had, upon advice of legal counsel, tempered his personal statements and instructions to his ministers concerning the principles of his organization in order to avoid possible prosecution by the United States Government; however, he did not indicate any fundamental changes in the teachings of his organization.

On May 7, 1964, a third source advised MUHAMMAD had, early in July, 1958, decided to de-emphasize the religious aspects of the teachings of Islam and to stress the economic benefits to be derived by those Negroes who joined the WOI. This policy change, according to MUHAMMAD, would help him acquire additional followers and create more interest in his

<u>1.</u>

The March 13, 1964, edition of "The New York Times," a daily newspaper published in New York, New York, contained an article on page 20 which indicated that MALCOLM X (LITTLE), former national official of the Nation of Islam (NOI) who broke with the NOI on March 3, 1964, publicly announced in New York City on March 12, 1964, that he had formed the Muslim Mosque, Incorporated (MMI). The MMI, according to the article, would be a broadly based politically oriented black nationalist movement for Negroes only, financed by voluntary contributions. In this public statement MALCOLM X urged Negroes to abandon the doctrine of non-violence when it is necessary to defend themselves in the civil rights struggle, and he also suggested that Negroes form rifle clubs to protect their lives and property in time of emergencies in areas where the government is unable or unwilling to protect them.

Incorporation papers of the MMI filed on March 16, 1964, with the Business Section, Clerk of Courts, New York County, New York, New York, reflect that the MMI was incorporated under the Religious Corporation Law of the State of New York to work for the imparting of the Islamic Faith and Islamic Religion in accordance with "accepted Islamic principals." The principal place of worship to be located in the Borough of Manhattan, New York, New York.

The May 23, 1964, edition of the "New York Amsterdam News," a weekly Negro newspaper published in New York City, contained an article by columnist JAMES BOOKER in which he indicated that he had heard that the visit by MALCOLM X with Muslim leaders during his African tour has changed him to become soft in his anti-white feelings and to become more religious.

On October 6, 1964, a confidential source advised that the MMI is apparently affiliated with the true orthodox Islamic Religion through its affiliation with the Islamic Foundation (of New York); I Riverside Drive, New York City. The only teachings of the MMI are on the Islamic Religion.

A second confidential source advised on October 20,1964, that the headquarters of the MMI are located in Suite 128, Hotel Theresa, 2090 Seventh Avenue, New York, New York, where they were established on March 16, 1964. These headquarters are shared with the Organization of Afro-American Unity (OAAU) which is also headed by MALCOLM X.

#### ORGANIZATION OF AFRO-AMERICAN UNITY (OAAU)

<u>1.</u>

On June 28, 1964, MALCOLM X LITTLE, founder and leader of the Muslim Mosque, Incorporated (MMI), publicly announced the formation of a new, all Negro, militant civil rights action group to be known as the Organization of Afrò-American Unity (OAAU), with himself as Chairman. This announcement was made at a public rally held by the MMI in the Audubon Ballroom, Broadway and 166th Street, New York City.

A printed and published statement of basic OAAU aims read by MALCOLM X at this meeting indicates that it shall include "all" people of African descent in the Western Hemisphere, as well as "our"brothers and sisters on the African continent. It is patterned after the "letter and spirit" of the Organization of African Unity established (by African heads of States) at Addis Ababa, Ethiopia, in May, 1963.

A recording of the remarks of MALCOLM X at this meeting indicates that the aim of the OAAU is to eliminate differences between Negroes so they can work together for "human rights," while the initial objective is to "internationalize" the American civil rights movement by taking it to the United Nations. LITTLE condemned the non-violent civil rights movement and claims that Negroes should be taught to protect themselves, when and if necessary. The OAAU will sponsor a program for Negroes of education, politics, culture, economics and social reform.

On August 19, 1964, a confidential source advised that the heqdquarters of the OAAU are located in MMI head-quarters, Suite 128, Hotel Theresa, 2090 7th Avenue, New York City.

The Nation of Islam (NOI) is described in the latter pages of this communication.

On February 22 and 23, 1965, Wesley South, Moderator of the question-answer program "Hot Line: over Chicago radio station WVON, interviewed Elijah Muhammad. This program, which is on the air 11:00 p.m. to midnight, was monitered by a Special Agent of the Federal Bureau of Investigation.

In response to questions regarding the assassination of Malcolm K. Little and the NOI, Muhammad stated as follows:

Malcolm Little is described in the appendix pages of this memorandum under the characterizations of Muslim Mosque, Incorporated and Organization of Afro-American Unity.

The murder of Malcolm X was a shock and surprise to us. We are investigating the charge all over the country to see if the NOI is responsible and to see if we can come up with the man's name in our records, but as of now we have no record. I have preached for thirty-four years we are against this type of thing. Malcolm left and began teaching hate and the arming of his members. We in the NOI are against this position as it would be suicide to take up arms against this country. Allah teaches us not to carry guas and we do not carry any. We have no guns, bombs or artillery pieces to field. The Koran teaches that if one opposes the Messenger and repents he is forgiving, but if he does not repent he is subject to divine chastisement such as death or hell fire.

ONCLOSUTE.

Muhammad stated he did not know the reason why Malcolm - 5 was killed nor who killed him. Muhammad has not asked police protection, but appreciates it, adding he was a taxpayer.

Muhammad stated he has heard assassins are coming for him but that he was not frightened, as he was on Allah's mission and was not running.

Muhammad stated he had two hundred thousand to three hundred thousand members all over the world. He said some people in order to keep their racial pride teachhate. Muhammad doesn't teach violence except to fight back if attacked. The NOI is never the aggressor. Muhammad does not teach hate, only the truth and . the white men are a wicked, devil race. A Muslim is one who has submitted himself to Islam.

Muhammad stated he would not back any man who used violence and in the event it subsequently might be discovered a member of the NOI killed Malcolm, added he would not back any man who used violence as the Koran only teaches us to kill on the order of Allah. This would be handled in the same way that God advised Moses to lead and help his people as set forth in the Bible.

On February 23, 1965, Elijah Muhammad in response to questions submitted by individuals who called in to radio station WVON advised as follows:

That when Malcom X remarked that the "Chickens had come home to roost" in regards to the assassination of President Kennedy he meant that this individual had come to his end. The son who had denounced him had now returned and confessed and did not have knowledge of the truth when this occurred. Now he has true knowledge.

THE PARTY OF THE CONTROL OF THE PARTY OF THE that Wallace Mohammed, son of Elijah Muhammad, was a former minister in the NOI, but deviated from the NOI in late May, 1964, and was dismissed therefrom by Muhammad.

The February 25, 1965, issue of "Chicago's American", a Chicago, Illinois daily newspaper, contained an item on page 1, that Wallace Mohammed would be permitted by his father to rejoin the NOI.

Members following MUHAMMAD's teachings and his interpretation of the "Koran" believe there is no such thing as a Negro; that the so-called Negroes are slaves of the white race, referred to as "white devils," in the United States; and that the white race, because of its exploitation of the so-called Negroes, must and will be destroyed in the approaching "War of Armageddon."

In the past, officials and members of the NOI, including MUHAMMAD, have refused to register under the provisions of the Selective Service Acts and have declared that members owe no allegiance to the United States.

On May 5, 1958, the first source advised MUHAMMAD had, upon advice of legal counsel, tempered his personal statements and instructions to his ministers concerning the principles of his organization in order to avoid possible prosecution by the United States Government; however, he did not indicate any fundamental changes in the teachings of his organization.

On May 7, 1964, a third source advised MUHAMMAD had, early in July, 1958, decided to de-emphasize the religious aspects of the teachings of Islam and to stress the economic benefits to be derived by those Negroes who joined the NOI. This policy change, according to MUHAMMAD, would help him acquire additional followers and create more interest in his programs.

The March 13, 1964, edition of "The New York Times," a daily newspaper published in New York, New York, contained an article on page 20 which indicated that MALCOLM X (LITTLE), former national official of the Nation of Islam (NOI) who broke with the NOI on March 8, 1964, publicly announced in New York City on March 12, 1964, that he had formed the Muslim Mosque, Incorporated (MMI). The MMI, according to the article, would be a broadly based politically oriented black nationalist movement for Negroes only, financed by voluntary contributions. In this public statement MALCOLM X urged Negroes to abandon the doctrine of non-violence when it is necessary to defend themselves in the civil rights struggle, and he also suggested that Negroes form rifle clubs to protect their lives and property in time of emergencies in areas where the government is unable or unwilling to protect them.

Incorporation papers of the MMI filed on March 16, 1964, with the Business Section, Clerk of Courts, New York County, New York, New York, reflect that the MMI was incorporated under the Religious Corporation Law of the State of New York to work for the imparting of the Islamic Faith and Islamic Religion in accordance with "accepted Islamic principals." The principal place of worship to be located in the Borough of Manhattan, New York, New York.

The May 23, 1964, edition of the "New York Amsterdam News," a weekly Negro newspaper published in New York City, contained an article by columnist JAMES BOOKER in which he indicated that he had heard that the visit by MALCOLM X with Muslim leaders during his African tour has changed him to become soft in his anti-white feelings and to become more religious.

On October 6, 1964, a confidential source advised that the MMI is apparently affiliated with the true orthodox Islamic Religion through its affiliation with the Islamic Foundation (of New York); I Riverside Drive, New York City. The only teachings of the MMI are on the Islamic Religion.

A second confidential source advised on October 20,1964, that the headquarters of the MMI are located in Suite 128, Hotel Theresa, 2090 Seventh Avenue, New York, New York, where they were established on March 16, 1964. These headquarters are shared with the Organization of Afro-American Unity (OAAU) which is also headed by MALCOLM X.

# ORGANIZATION OF AFRO-AMERICAN UNITY (OAAU)

On June 28, 1964, MALCOLM X LITTLE, founder and leader of the Muslim Mosque, Incorporated (MMI), publicly announced the formation of a new, all Negro, militant civil rights action group to be known as the Organization of Afrò-American Unity (OAAU), with himself as Chairman. This announcement was made at a public rally held by the MMI in the Audubon Ballroom, Broadway and 166th Street, New York City.

A printed and published statement of basic OAAU aims read by MALCOLM X at this meeting indicates that it shall include "all" people of African descent in the Western Hemisphere, as well as "our"brothers and sisters on the African continent. It is patterned after the "letter and spirit" of the Organization of African Unity established (by African heads of States) at Addis Ababa, Ethiopia, in May, 1963.

A recording of the remarks of MALCOLM X at this meeting indicates that the aim of the OAAU is to eliminate differences between Negroes so they can work together for "human rights," while the initial objective is to "internationalize" the American civil rights movement by taking it to the United Nations. LITTLE condemned the non-violent civil rights movement and claims that Negroes should be taught to protect themselves, when and if necessary. The OAAU will sponsor a program for Negroes of education, politics, culture, economics and social reform.

On August 19, 1964, a confidential source advised that the heqdquarters of the OAAU are located in MMI head-quarters, Suite 128, Hotel Theresa, 2090 7th Avenue, New York City.

NATION OF ISLAM, formerly referred to as the Muslim Cult of Islam, also known as Muhammad's Temples of Islam

In January, 1957, a source advised ELIJAH MUHAMMAD has described his organization on a nationwide basis as the "Nation of Islam," (NOI) and "Muhammad's Temples of Islam."

()

On May 8, 1964, a second source advised ELIJAH MUHAMMAD is the national leader of the NOI; Muhammad's Temple of Islam No. 2, 5335 South Greenwood Avenue, Chicago, Illinois, is the national headquarters of the NOI; and in mid-1960, MUHAMMAD and other NOI officials, when referring to MUHAMMAD'S organization on a nationwide basis, commenced using either "Mosque" or "Temple" when mentioning one of "Muhammad's Temples of Islam."

The NOI is an all-Negro organization which was originally organized in 1930 in Detroit, Michigan. MUHAMMAD claims to have been selected by Allah, the Supreme Being, to lead the so-called Negro race out of slavery in the wilderness of North America by establishing an independent black nation in the United States. Members following MUHAMMAD'S teachings and his interpretation of the "Koran" believe there is no such thing as a Negro; that the so-called Negroes are slaves of the white race, referred to as "white devils," in the United States; and that the white race, because of its exploitation of the so-called Negroes, must and will be destroyed in the approaching "War of Armageddon."

In the past, officials and members of the NOI, including MUHAMMAD, have refused to register under the provisions of the Selective Service Acts and have declared that members owe no allegiance to the United States.

On May 5, 1958, the first source advised MUHAMMAD had, upon advice of legal counsel, tempered his personal statements and instructions to his ministers concerning the principles of his organization in order to avoid possible prosecution by the United States Government; however, he did not indicate any fundamental changes in the teachings of his organization.

the following basic

facts:

MALCOLM X approached the podium at approximately 3:00 p.m. immediately after MALCOLM greeted the audience, a disturbance occurred in the left aisle facing the stage. At the same time two men occupying seats on the left side of the middle aisle near the front moved into a crouched position and fired several shots at MALCOLM. From this point on there was mass confusion. Almost everyone dove to the floor to escape the bullets being fired. Women and children were screaming.

UNITED STATES & VERNMENT Def.ooc MemorandumMr. Mohr DATE: February 25, 1965 Tele. Ros C. D. DeLo **FROM** SUBJECT: MALCOLN INFORMATION CONCERNING The "New York Journal-American" issue of 2-24-65 carries a story concerning the murder of Malcolm X under the headline, "G-Men in Harlem--The Plot Deepens." The story states that, "Negro FBI Agents were working under cover in Harlem today in an investigation reportedly aimed at ferreting out possible international political motives behind the assassination of Malcolm X." Further on in the story it is stated, "The Federal Bureau of Investigation confirmed that there are Negro FBI agents in Harlem, but dodged saying anything specific about their assignments." The Director inquired, "What about this?" Assistant Director Malone of the New York Office advises that neither he nor any of the men in the New York Office confirmed the FBI has Special Agents working in Harlem. Mr. Malone said all inquiries from whatever source had been answered with a ''no comment'' in connection with this matter. No one in my office, in answer to inquiries, confirmed to anyone that Negro Agents are working in Harlem. **OBSERVATION:** It is a well known fact among news media people that the FBI has Negro Agents working in large Negro communities. In fact, we publicize this repeatedly. An example of such highlighting the work of our Negro Agents is the attached reprint from the September, 1962, issue of "Ebony" wherein on Page 3 this point is specifically made. Reporter Flynn and Pearl, who work under Guy Richards at the "Journal-American" are known for their flamboyancy and speculative 100-399321stories. **REC- 131** 2 MAR 10 1965 Enclosur REW:bsp ALL INFORMATION CONTAINED HEREIN IS UNCLASSIFIED MAR 11 1965

UNITED STATES GO. - Belmont Memorandum- Mohr - DeLoach v. C. Sulliva - Baumgardner DATE 3/10/82 SUBJECT: INTERNAL SECURITY - NATION OF ISLAM The following is submitted for information regarding the funer of Malcolm X Little at New York, 2/27/65. The New York Office was in frequent telephonic contact with the Bureau throughout the church service and burial. estimated that 1,000 people attended the church service and that the number outside the church who could not be admitted was estimated to be between one and two thousand. Local television stations in New York gave coverage to the funeral. The service began at 9:30 a.m., 2/27/65 at the Faith Temple Church of God, corner of Amsterdam Avenue and West 147th Street, in the Harlem section of New York City, after the body had been moved from the Unity Funeral Home, Bighth Avenue and 126th Street, New York City. The eulogy at the church was read by Ossie Davis and his wife, Ruby Dee, who make up a well-known Negro husband and wife theatrical team. Numerous telegrams and letters from Civil Rights, leaders were read during the ceremony. omar XOSMAN SWITZERIAND Armand Osmond (phonetic) also participated in the eulogy was described as being from the Islamic Center of Geneva and the U.S. Another participant in the eulogy whose name is not as yet known was described as being a representative of the Moslam Students of 48. and Among those in attendance at the service at the church were as James Farmer of Congress of Racial Equality (CORE); Bayard Restin, Deputy Director of "March on Washington, August, 1963" Dick Gregory, a well-known Negro comedian; and John Lewis, leader of Student Non-Violent Coordinating Committee. Various representatives of the National Urban League whose identities are not as yet known were allegedly present. The church service ended at 11:10 a.m., 2/27/65, and the funers procession proceeded to Ferncliff Cemetery at Hartsdale, Westchester Compty, New York. NYCPD members escorted the funeral entourage to the New York City line at Yonkers, Westchester County, New York, where New York State Police took over the escort to the cemetery. At the cemetery, officers of the Greenburg, New York, Police Department (which covers the area of Hartsdale, New York) took over at the cemetery site, 399321-334 /00-JVW:dbc/agg MAR 10 1965 (9) CONTINUED - OVER

Memorandum to W. C. Sullivan Re: NATION OF ISLAM

Fifteen cars made up the entourage from the church to the cemetery, but after arrival of the procession at the cemetery numerous other cars arrived and parked behind the hearse. These cars totaled 52 in number and it was estimated that there was a total of 400 people at the service at the grave site. He advised that although 15 cars proceeded from New York City to the cemetery, the other cars apparently had traveled on their own and not in the funeral procession from the church directly to the cemetery where they joined the other cars. The funeral service at the grave site was over at 12:45 p.m. After Malcolm X was buried and the funeral service had ended, independent small group eulogies and prayers were offered and flowers were dropped on the grave by numerous individuals.

Socialist Workers Party (SWP) participated in the funeral as observers. The SWP, which has been designated pursuant to Executive Order 10450, has supported Little in the past through Little's appearance at SWP Forums.

No incidents occurred throughout the funeral church service or at the cemetery.

the sister of Malcolm X made an emotional statement at the grave to the effect that "I am ready to die for the cause." Another emotional statement by someone else in the crowd was heard to the effect that "his death must be avenged."

advised that the attempted boycott of Harlem area,
New York stores organized by Jesse Gray, Director of the Community
Council on Housing and the organizer of the Harlem Rent Strike in
New York City, was a complete failure. Gray had attempted to have store
owners close their stores for a day and a half during church services
out of deference to Malcolm X.
