

Deputy Administrator now enters her final order without a hearing pursuant to 21 CFR 1301.43(d) and (3) and 1301.46.

The Deputy Administrator finds that Dr. Schwartz is currently registered with DEA as a practitioner authorized to handle controlled substances in Schedules II through V. According to information in the investigative file, on August 4, 2003, DEA received information from the Louisiana State Board of Medical Licensure (Board) that effective July 30, 2003, Dr. Schwartz was "no longer authorized to engage in the practice of medicine in any form in the State of Louisiana." An accompanying document in the file reveals that the Board summarily suspended Dr. Schwartz' State Medical license. The underlying basis for the board's suspension order was not specified.

Also on August 4, 2003, DEA received information that in response to the aforementioned suspension order of the Board, the Louisiana State Department of Health and Hospitals (LSDHH) summarily suspended Dr. Schwartz' State Controlled Dangerous Substance License. According to a copy of a letter dated August 6, 2003 from LSDHH to Dr. Schwartz (obtained by a DEA investigator), Dr. Schwartz was prohibited from reapplying for reinstatement of his stated controlled substance registration "\* \* \* until the [Board] notifies [LSDHH] in writing that [Dr. Schwartz'] controlled substance privileges have been reinstated."

There is no evidence before the Deputy Administrator to rebut findings that Dr. Schwartz' Louisiana medical license, as well as his State controlled substance license, have been suspended, or that the suspensions have been lifted. Therefore, the Deputy Administrator finds that Dr. Schwartz is currently not authorized to handle controlled substances in Louisiana.

DEA does not have statutory authority under the Controlled Substances Act to issue or maintain a registration if the applicant or registrant is without State authority to handle controlled substances in the State in which he conducts business. See 21 U.S.C. 802(21), 823(f) and 824(a)(3). This prerequisite has been consistently upheld. See Richard J. Clement, M.D., 68 FR 12103 (2003); Dominick A. Ricci, M.D., 58 FR 51104 (1993); Bobby Watts, M.D., 53 FR 11919 (1988).

Here, it is clear that Dr. Schwartz' State controlled substance license has been suspended and there is no information before the Deputy Administrator which points to the suspension having been lifted. As a

result, Dr. Schwartz is not licensed to handle controlled substances in Louisiana, where he is registered with DEA. Therefore, he is not entitled to maintain that registration.

Accordingly, the Deputy Administrator of the Drug Enforcement Administration, pursuant to the authority vested in her by 21 U.S.C. 823 and 824 and 28 CFR 0.100(b) and 0.104, hereby orders that DEA Certificate of Registration, BS5860590, issued to Michael J. Schwartz, MD., be, and it hereby is, revoked. The Deputy Administrator further orders that any pending applications for renewal or modification of the aforementioned registration be, and it hereby is, denied. This order is effective November 5, 2004.

Dated: September 8, 2004.

This helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements on respondents can be properly assessed. This ICR is intended to provide the Department with sufficient information to support a finding that the exemption meets the statutory standards of section 408(a) of ERISA, and to provide affected parties with the opportunity to comment on the proposed transaction, while at the same time reducing the regulatory burden associated with processing individual exemptions for transactions prohibited

under ERISA. The exemption affects participants and beneficiaries of the plans that are involved in such transactions as well as the party entering into the transaction with the plan.

**III. Desired Focus of Comments**

The Department is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
