MEMORANDUM FOR ALL CONTRACTING OFFICERS AND NEGOTIATORS

FROM: DAA/M, Michael Sherwin, Procurement Executive

SUBJECT: New Policy for Publicizing Commerce Business Daily
(CBD) Notices

CONTRACT INFORMATION BULLETIN 95-23

The U.S. Department of Commerce has announced a new policy concerning the publication of CBD Notices. The CBD is funded by an appropriation made to the Department of Commerce. Beginning in Fiscal Year 1996, this appropriation will no longer be available. Therefore, effective October 1, 1995, each advertiser will be required to pay \$18.00 per advertisement in the CBD in order to reimburse the Department of Commerce for printing the CBD. The U.S. Government Printing Office (GPO) will handle the billing and collection functions for the Department of Commerce.

For this purpose, each organization advertising in the CBD has been assigned a nine-character Billing Address Code by GPO. For USAID, the billing code is GPO471AID. All GPO billings and payments will be taken care of by M/OP/PS/SUP. GPO has been advised to forward the billings to M/OP/PS/SUP for all of our CBD notices. However, if any of you should receive a bill for payment, forward them to M/OP/PS/SUP, Room 1440, SA-14 in AID/W.

BEGINNING OCTOBER 1, 1995, INSERT ON ITEM NUMBER FOUR OF THE CBD SYNOPSIS GPO471AID INSTEAD OF THE FIPS NUMBER WHICH IS NO LONGER VALID.
