

Capacity Building for Land Reform

July 1, 2004

The Asian Development Bank (ADB) recently announced the opportunity of \$250,000 in potential procurement of consulting services under the ADB Technical Assistance (TA) programs.

Project Name: Capacity Building for Land Reform

Project No.: AFG 38221-04

Technical Assistance Amount: US\$250,000

Executing Agency: Ministry of Agriculture and Animal Husbandry

Objectives and Scope:

The goal of the Technical Assistance (TA) is to assist the government in creating a policy and institutional framework for land administration that is fair, efficient, and sustainable. as such, the purpose of the TA is to assist the government of Afghanistan in putting in place a system that will:

- (i) increase tenure security for farmers and other landholders
- (ii) facilitate efficient land transactions and administration, and
- (iii) provide farmers and other landholders with greater control over land management through a full range of market choices.

Consulting Services: To be determined.

Project Processing Stage: Fact-finding to be scheduled

Recruitment of Consultants: To be determined

How to Apply and Assistance for U.S. Firms:

The Asian Development Bank selects a consultant for a Technical Assistance grant based on its prior Expression of Interest (EOI). An EOI can be transmitted on-line through the ADB's Web site (www.adb.org); afterward it will be acknowledged automatically. Firms may opt to send a hardcopy follow-up EOI addressed to Mr. Robert J. Robertson, officer-in-charge, consulting services division, with a copy to the ADB project officer. The EOI should relate a firm's experience and expertise to the ADB project. It is important for a U.S. firm to emphasize its similar project experience in the country or in a similar geographic area rather than presenting a general profile of its consulting activities. A separate EOI should be submitted for each project. The project name indicated in the EOI should exactly match that listed here to avoid confusion.

To be considered for employment, consultants must register on the ADB's DACON (data on consulting firms) and DICON (data on individual consultants) systems, otherwise, their EOIs will not be accepted. DACON and DICON registration can be done on-line at www.adb.org/consulting.

U.S. firms may also send a notification copy of their EOIs to the U.S. Commercial Liaison Office for the ADB:
