

Emergency Notification Numbers

DOJ employees have a number of options available for emergency notifications and/or to obtain information regarding specific events/incidents.

- (1) Employees should use the standard **9-1-1** emergency notification number which will be directed to emergency responders in the appropriate jurisdiction.
- (2) Notify your building Occupant Emergency Program (OEP) Designated Official. The OEP Designated Official for your building should contact the Justice Command Center.

Building Name _____

Building Location _____

OEP Designated Official Phone Number _____

- (3) Federal Protective Service Phone Number for
your area _____

To obtain DOJ emergency related news in the Washington, DC area, employees can tune into the WTOP Radio Network, (1500 am, 107.7 fm, 820 am, or 103.5 fm) or access information online at WTOPNEWS.COM.
